

Smarter Solutions for Meetings, Events & Travel.

# RegOnline® by Lanyon

PART OF THE SMART EVENTS CLOUD®

## Standard Mobile

### Get Your Event Mobile-Ready Quickly and Easily

“We chose RegOnline because it was affordable and easy to use. I picked it up quickly and was able to figure out pretty much everything on my own.”

Penny Delgallego,  
UCSD

Wondering how to get even more out of your event technology? RegOnline® by Lanyon — the easy-to-use, affordable online management solution for events of all sizes — enhances the event experience, provides valuable data, and saves time on administrative tasks. Get your event mobile-ready in a flash with RegOnline’s FREE web-based app.

#### Build Mobile Into Your Event

Set up mobile features as you build your event registration and website.

#### Deliver A Better Event Experience

Customize your event with personal profiles, event schedules, and registration details.

#### Drive Engagement

Enable attendee-to-attendee networking with integrated social media. Facilitate contact information exchange via QR codes.

#### Increase Brand Awareness

Extend your brand from the event website to the mobile app. Create a seamless brand experience across multiple devices.

#### Collect Payments Easily

Empower your attendees to easily register, add and pay for additional sessions and events.
